Discover the World of Rattan

Event Calendar

Dear Valued Customers,

Thanks for your support to our company as always, and also to our new customers and potentials to enjoy **Q Line's** exclusive designs of both Synthetic and Natural Rattan Furniture, that can nurture you everywhere from Indoor, In-room, to Outdoor, as per our slogan

“Q Line -- the Ultimate Quality Living”.

Time passes really fast and surprisingly that we are now entering into almost the final episode of Autumn, while our lives are still bombarded by piles of works that keep us hectic and intense, through *the Hustle and Bustle of City Life*.

Our Q Line team would then like to turn you all freshen up by our New Collection of **“Nature Touch -- the New Episode of Discovering the World of Rattan”**, and if possible gather to visit our new exhibition events throughout the rest of this year 2008.

Sincerely,
Q Line Team

We're on the Web!

example.com

the Ultimate Quality Living

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

Back Page Story Headline

Caption describing picture or graphic.

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization

is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual char-

ity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
